

REMARKS

This Amendment is filed in response to the Fourth Office Action dated March 13, 2007, which has a shortened statutory period set to expire June 13, 2007.

Allowable Subject Matter

Applicant greatly appreciates the Examiner's indication of allowable subject matter. Specifically, Claims 4, 5, 8, 9, 12, 13, 17, 18, 20, 21, 24, and 25 are allowed.

Claims 93-96 Are Allowable

Applicant respectfully submits that Claims 93-96 are patentable over the cited references, i.e. van Nee and Suzuki. Specifically, Claim 93 recites in part, "wherein the first and second groups of symbols form a packet and the first and second operating modes are provided in a header of the packet". This limitation is not taught by either reference. Claims 94-96 depend from Claim 93. Therefore, Applicant requests allowance of Claims 93-96.

CONCLUSION

Claims 2-5, 8, 9, 12, 13, 15-18, 20, 21, 24, 25, and 93-96 are pending in the present application. Allowance of all claims is respectfully requested.

If there are any questions, please telephone the undersigned at 408-451-5907 to expedite prosecution of this case.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read 'Jeanette S. Harms', with a long horizontal flourish extending to the right.
